

GLOBAL. MAGNETIC. FORCE.™

## Technical Data Sheet

### Recessed Magnetic Catches, CF Series

This series is recess mounted and adjustable.

#### Product Specifications

---

Shape: Round

Part No.	Holding Force (lbs)	Dia.	Length	Price
54237	11.0	14	.866	\$1.79

- All Measurements are in inches (unless otherwise noted)
- Direction of Magnetization (DOM) is through the thickness unless noted
- Unless otherwise specified, magnets will be furnished in magnetized condition
- Holding forces are approximate. These are average values obtained under laboratory conditions. Size, shape, and material of the test piece may affect actual pull forces
